EAA Chapter 1095 — www.eaa1095.org

July 2009

President's Corner by Vic Briley

Hello fellow flyers:

Last month was very hectic with all the work involved at our fly-in/camp-in. This being our first fly-in/camp-in was a learning experience. We will be better prepared next year and will probably have a better turnout since it will be in conjunction with the Gaylord Air Fair. Our profit was very little, but we have lots of T-shirts to sell later. We did gain a new member, TJ Yarema, from Oxford, Michigan. He has a second home up here and flies in to Gaylord to relax at his vacation home. I hope to see him and his family at some of our gatherings in the future. I would like to thank all the members that worked so hard to make the event successful with a special thank you to Sharon Johnson who worked her butt off and is not even a member. Nancy Valuet was also a big help in preparing and serving the food. The Girl Scouts also deserve a big thank you for their help.

This month, our meeting will be a potluck picnic at our chapter hangar on the 15th of July. We moved the date back one-week to accommodate some of our members that would not be here on the 2nd Wednesday of July. Be sure to come, if you can make it, and bring a dish to pass. There will be lots of good food and good company.

(Continued on page 4)

What's Here By Phil Curtiss

Our Young Eagle Pilots fly lots of kids. Most of the time the best feedback they get is the great big smiles as they exit the airplane.

The other day I came across an article written by a Young Eagle that tells how she enjoyed her Young Eagle flight.

Pilots, this is what we do and why we do it!

If the weather holds up we should have the new benches on the Hanger deck. Special thanks to Jon Study for hauling the wood around for me. And another thanks to Doug Schubert for the loan of his impact driver. That sure made the assembly a lot easier.

Larissa Goes Flying

by Larissa Hanson

Reprinted, with permission from
The Lake County Leader & Advertiser
Polson, Montana

Have you ever wondered what it feels like to fly, to soar above everything, to look down and see changes occurring right below you? Up in the air you can see things you never thought possible. You can see the different squares of land going from green to a golden brown back to a green in an unknown pattern. You can even see the different colors in the water. How would I know? I was up in the air flying. On Saturday, June 13 the pilots with the Lake County Chapter 1122 of the Experimental Aircraft Association hosted Young Eagles Flights at Polson Airport.

Pilots opened their planes and took kids ages 8-17 up in the air for a free flight.

My mom dragged me along with my little brother, but I'm glad she did. The feeling of flying is an overall unexplainable feeling. I was riding shotgun with my brother in the back. The pilot asked me if I wanted to give my brother heart failure, and

showed me how to work the wheel. I flew the plane! Sure, it was nothing drastic, nothing like driving a car. The plane flew in a straight line unless I turned the wheel. As you look down from the window you can see all the houses and farms, my brother even claims that he saw some people playing Frisbee. All in all, it was the best experience I've had

The EAA Young Eagles program was launched 1992 to give interested young people, ages 8 -17, an opportunity | to go flying in a general aviation airplane. These flights are offered free of charge and are made possible through the generosity of member volunteers. Since 1992, more than 1.4 million Young Eagles have enjoyed a flight through the program.

Young Eagles have been registered in more the 90 different countries and have been flown by nearly 40,000 volunteer pilots.

June Meeting Minutes

EAA Chapter 1095 Officer Meeting

Meeting called order promptly at 7:00 PM by Pres. Vic

Minutes of the May meeting approved my Mary Way and supported by Wally McCoy.

Treasury Report: \$1358.10 Balance.

Garden Club reimbursement for flowers: \$49.29.

Old Business:

Construction Blueprint and cost was presented by Phil Curtiss for the benches around the deck at our hangar. It was voted and was unanimously approved by all. Motion to move forward on this project was made by Don McCoy and Supported by his big brother, Wally McCoy.

New Business:

Plan for the August meeting is more socializing and working on our hangar. We will discuss the pot luck to be held on Aug. 12th. It will start early for anyone who wants to work on the hangar.

Meeting Closed at 7:27. Motion to accept by Wally McCoy and supported by Don McCoy

President's Corner continued

(Continued from page 1)

Next month will be a work party to make improvements on the inside of our hangar. I'm sure we will have plenty of good food then also.

Please, don't forget about the EAA Trial Membership program. There is no limit on the number of recruits and it is free! Headquarters will provide us with a periodic report on our success in turning complimentary members into fully-paid members. When you recruit someone, don't forget to call them and invite them to our monthly meetings or any other function we may have. If you recruit someone and fill out the application yourself, please forward that to Mike Valuet .

EAA Member Meeting

Meeting called to order at 7:33 PM by Pres. Vic, Introduced a visiting member from Chapter 560, Win Slighter from the Indian River Chapter.

Old Business:

Still looking for more Trial Membership people. Nothing new to report from Mike other than Phil's friend did sign up to try us for 6 mos.

Membership dues appear to be getting up to date.

New Business:

June Fly-In planning update was given by Wally McCoy and Job list was filled in for the busy weekend.

July meeting is on July 15th with a potluck at 6:00 PM at our hangar.

Here is the list of everyone who wanted to bring food:

Joe Hartley: Bake Beans

Vic: Deviled Eggs

Joe Seibold: Pies

Ken S.: Birthday Cake (Happy Birthday Ken!)

Howard Grosser: Mexican Salad

Sharon Johnson: Fruit Salad

Mary Way: Pot Salad. (Mike V. cannot come now and he was going to bring the Salad)

Frank Wolschon: Brats

Don McCoy, Sharon Johnson, and Phil Curtiss: Burgers

Don Matz: Buns

Bruce Cotton: Chips

Pop can be purchased at the event for a reduced rate.

If you want alcohol.....please BYOB
50-50 drawing was won by a member but this secretary missed the whole event!Closed Meeting at 9:30 PM.
